

Job Title: Project Engineer
Reports To: Regional Manager, Evansville
Department: Project Management
FLSA Status: Salaried, Exempt

Garmong Construction Services has an opening for a **PROJECT ENGINEER** in our **Evansville** office. We are seeking someone with 3+ years of experience. This position serves in a support role to assist the Project Management team with the overall delivery of the project often working directly with the client, subcontractors and superintendent as needed.

Skills/Qualifications:

- BA/BS degree in construction or related field preferred
- Some experience in the construction industry with a General Contractor or Construction Manager

We offer competitive wages and benefits, including medical, dental, vision, life insurance, long term disability, paid time off, 401k with company match, and much more.

SUBMIT RESUMES to the Human Resources Department, hr@garmong.net. Include **PROJECT ENGINEER – EVANSVILLE** in the subject line.

Garmong Construction Services offers nearly a century of construction experience and over 1,000,000 man-hours of grit in our wrinkles (wrinkles we're proud of), as well as an innovative spirit (ammunition boxes during WWII), and today we are one of the leading Construction Management companies in Indiana. Design-Build and General Contracting services are second nature to us as well. We remain family-owned (fourth generation), and have offices in Terre Haute, Evansville and Indianapolis.

Garmong has twice been recognized as one of the fastest growing private companies by the Indianapolis Business Journal and has been a General Contractor of the Year nominee for four consecutive years through the Indiana Subcontractors Association. Additionally, Indiana University has recognized a Garmong company on four separate occasions with the Kelley School of Business Top 100 Growth Award, Garmong was presented with the 2008 Governor's Half Century Award for longevity and community service and was recognized as a finalist in the Indiana Companies to Watch program presented by the Indiana Economic Development Corporation, its Small Business Development Centers and Purdue University.
