Garmong Construction Services offers nearly a century of construction experience and over 1,000,000 man-hours of grit in our wrinkles (wrinkles we're proud of), as well as an innovative spirit (ammunition boxes during WWII), and today we are one of the leading Construction Management companies in Indiana. Design-Build and General Contracting services are second nature to us as well. We remain family-owned (fourth generation), and have offices in Terre Haute, Evansville and Indianapolis.

Garmong has twice been recognized as one of the fastest growing private companies by the Indianapolis Business Journal and has been a General Contractor of the Year nominee for four consecutive years through the Indiana Subcontractors Association. Additionally, Indiana University has recognized a Garmong company on four separate occasions with the Kelley School of Business Top 100 Growth Award, Garmong was presented with the 2008 Governor's Half Century Award for longevity and community service and was recognized as a finalist in the Indiana Companies to Watch program presented by the Indiana Economic Development Corporation, its Small Business Development Centers and Purdue University.
